Урологический (А)

A vertical strip of paper, likely a ruler or a piece of tape, is shown against a dark background. The strip is white and features a ruler scale on the left side. At the top, there is a small, rectangular label with text that is partially legible. The text on the label includes "UP MUST 8-2", "UP MUST 8-1", and "UPRA". Below the label, there is a series of small, dark, rectangular marks or holes along the length of the strip. The strip appears to be a component of a larger assembly, possibly a sensor or a measurement device.
