Дефибриллятор Dixon Heart PAD

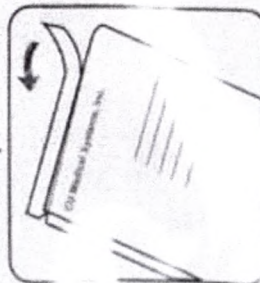

PADS

CU Medical Systems, Inc.

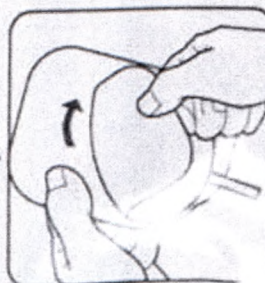

Instructions

Step-1

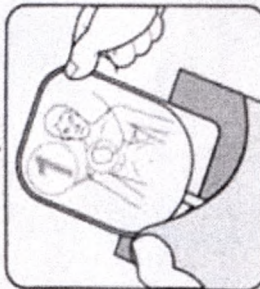

Tear open the packaging of the pads.

Step-3

Peel the pads from the liner one by one.
As each pad is peeled off,
attach it to the patient as shown in step 4.

Step-2

Remove the pads from the packaging.
(Note: The pads are attached to a single liner)

Step-4

Attach the pads to the patient.
See the illustration at the back of
each pad for proper placement.
