«Аппарата искусственной вентиляции лёгких «Evita V300», с принадлежностями»

Фотографические изображения

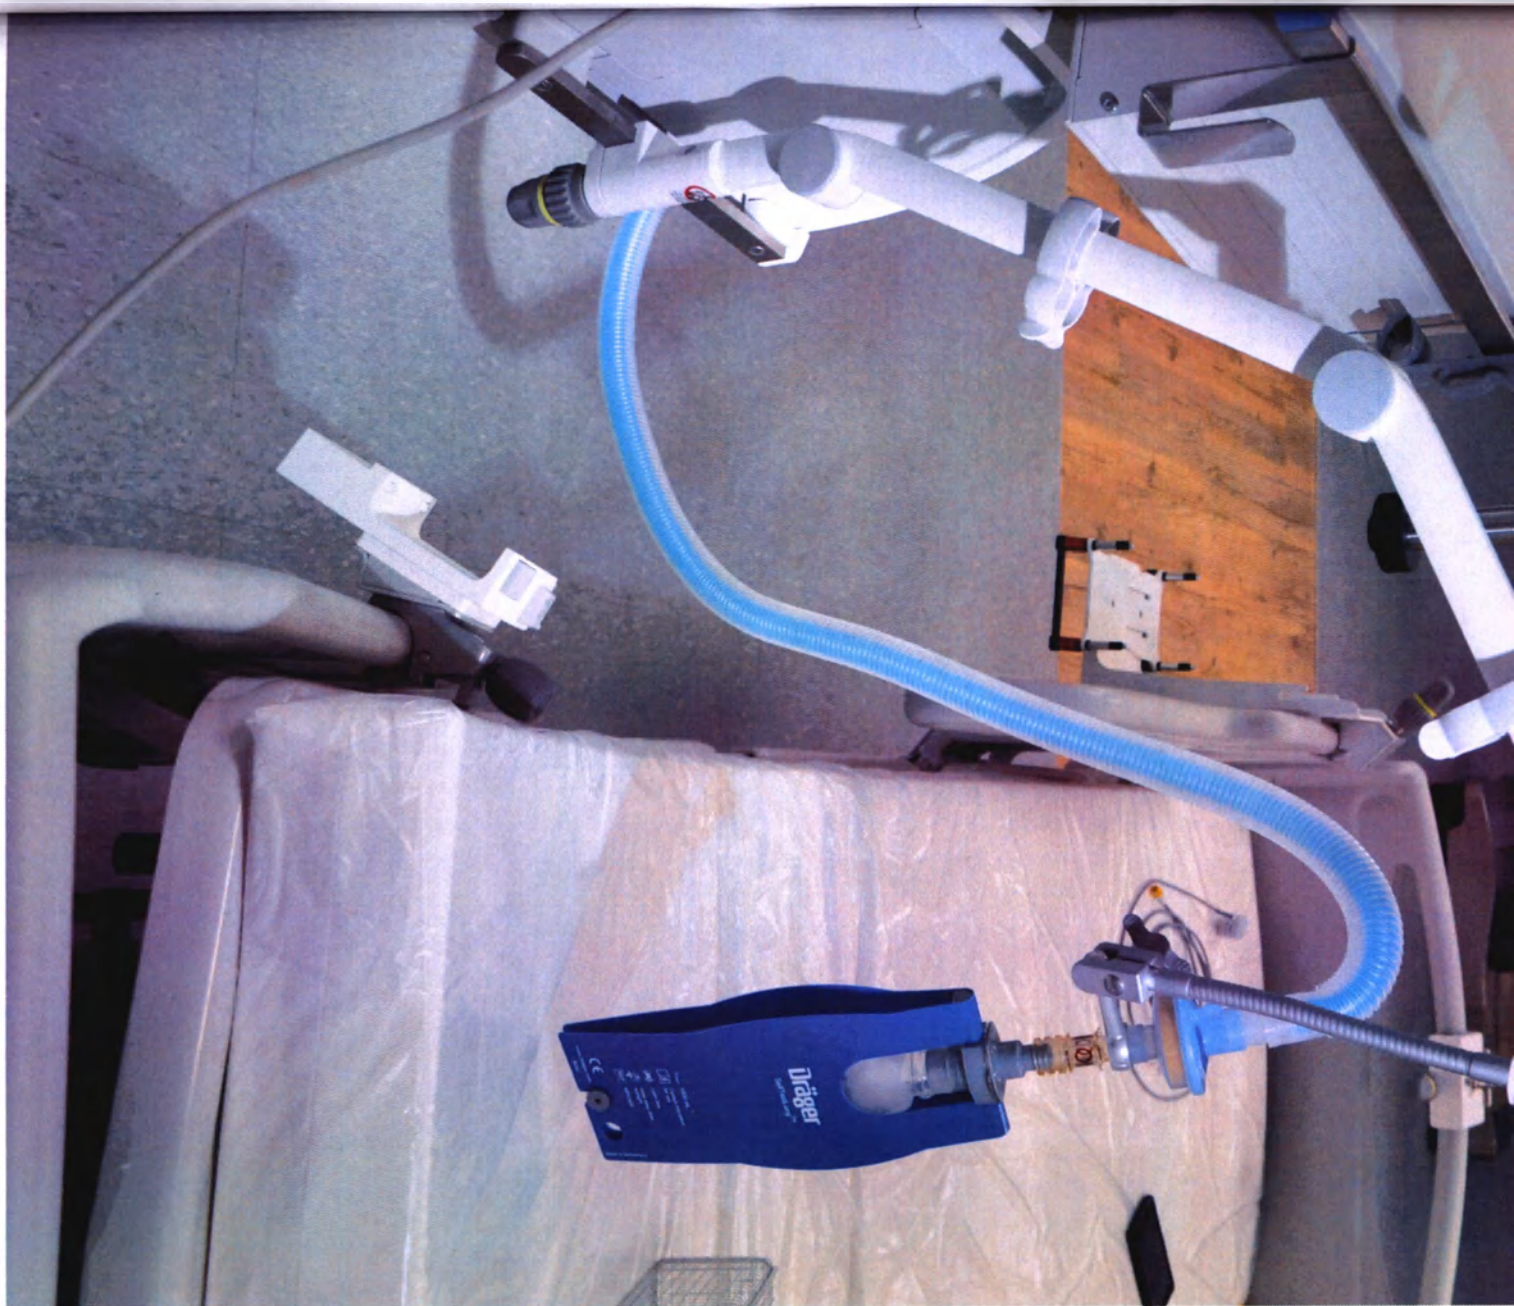

Аппарата искусственной вентиляции легких Evita V300 (базовый состав)

1. Дисплей управляющий Infinity C300.

2. Основной блок аппарата Evita V300.

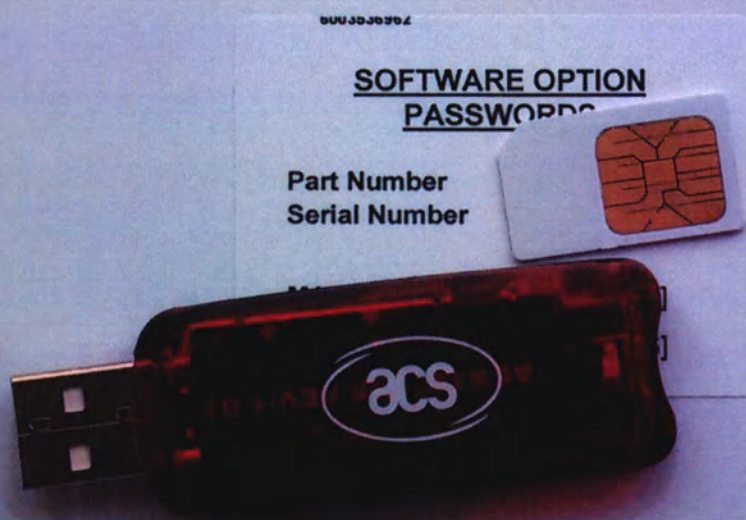

3. Кронштейн для поддержки дыхательных шлангов.

4. Датчики потока (Flowsensor), не более 5 шт.

Dräger

Certificate of Software License

граммное обеспечение Evita V300.

6. Руководство по эксплуатации Evita V300 на русском языке, печатное.
