A long, thin, rectangular object, possibly a piece of wood or metal, lying horizontally on a dark, textured surface. The object has a small label on its left end with text including "MT", "SH 0", and "MT 2017/18". The label also features a barcode and some smaller, less legible text. The object is positioned in the lower third of the frame, extending across most of the width. The background is a dark, mottled grey with some visible texture and a vertical crease on the right side.
