THE birds around me hopped and played,
 Their thoughts I cannot measure
 But the least motion which they made,
 It seemed a thrill of pleasure.

The company was established in 1993 as a professional manufacturer of liquid silicone products and have been engaged in this field for more than 16 years. Since 1996, we started exporting our products worldwide. Through our constant efforts, we have built up a good reputation in the local market and OEM/ODM businesses for both medical accessories and baby nipple as well as various silicone molding products.

Supplying the best quality products and prompt services are our main aims. Our factory has been certified by ISO 13485 as a qualified manufacturer of medical products, this is the best guarantee to all our customers.

In March 2006, we moved to a new factory building built in accordance with GMP requirements. It has 5 stories and 6,600 square meters total building area, with clean rooms class 10K, 100K, and many more advanced facilities.

HEARD only in the trances of the blast,
Or if the secret ministry of frost
Shall hang them up in silent icicles,
Quietly shining to the quiet Moon.

Twisted faces from the bottom of the street,
And tear from a passer-by with muddy skirts
An aimless smile that hovers in the air
And vanishes along the level of the roofs.
